

# Do you rent in the target area?

**Provincial legislation will allow up to 20 storey towers to be built in the 800m around skytrain stations**

**Tenants living in older buildings in New West may be at risk of displacement if their buildings are redeveloped**

**Before new housing is built, we need a plan to protect renters rights and stop displacement from the community**

**It's urgent that we start talking and taking action now !**
